Weight ( <b>Calculated</b> ) (Shark, Tope, Bass) PLEASE STATE UNITS USED CM OR INCHES	.....length .....girth .....gms Specimen.....%
Shore - Where caught	
Boat - Name of Boat	
Weighed in witnessed by	
Committee member	
Date caught	

DECLARATION: I wish to submit the attached form in respect of the above catch to be included in the current year's best specimen fish awards and the LRSAC fish records. I can confirm that this fish was caught under LRSAC rules either in or out of competition. I also confirm that this fish was weighed in the presence of a LRSAC committee member on an authorised set of LRSAC scales.

**This fish was caught using the agreed number of rods and hooks as laid out in the club rules i.e for shore up to two rods using a maximum of three hooks – for boat one rod and a maximum of three hooks.**

There are four sets of calibrated scales : Darren Herbert at The Tackle Shop (01297 443373), Lewis Hodder (07519 160020), Ben Male (07967850318) and Rob Emery (07500962551) (Please note any committee member weighing in a fish has to get the catch authenticated by another LRSAC committee member).
