Weight (Calculated) (Shark, Tope, Bass) PLEASE STATE UNITS USED CM OR INCHESlengthgirthgms Specimen.....%
Shore - Where caught Boat - Name of Boat			
Witness (If no witness is available please send photos to the fish recorder)			
Date caught			

DECLARATION: I wish to submit the attached form in respect of the above catch to be included in the current year's best specimen fish awards and the LRSAC fish records. I can confirm that this fish was caught under LRSAC rules either in or out of competition. I also confirm that this fish was weighed in on an authorised set of LRSAC scales, or my own scales which have been checked against a set of club scales for their accuracy.

This fish was caught using the agreed number of rods and hooks as laid out in the club rules i.e for shore up to two rods using a maximum of three hooks – for boat one rod and a maximum of three hooks.

There are three sets of calibrated scales : Darren Herbert at The Tackle Shop (01297 443373), Lewis Hodder (07519 160020), Ben Male (07967850318)
